

Save Your Company **Money** and Go **Green** with Profiles On Demand!

How much paper is being used in your current hiring process? You may have applications, resumes, tracking documents, along with hiring and on boarding documents. The cost of using this paper can add up pretty quickly!

Save money and help save the environment by using the Profiles On Demand Applicant Tracking System!

Our unique and cost effective system will help you in minimizing the paper cost in your company.

Complete these tasks online without using paper:

- Collect applications and resumes
- Move applicants through the hiring process
- Send correspondence to applicants and new hires
- Generate reports

The Profiles On Demand™ system is fast, flexible, and affordable! Our system will reduce time-to-hire by 66% and cost per hire by 40% or more while saving your company money on paper cost!

For as little as \$200 per month join us in going **GREEN!!**

Profiles On Demand™ offers:

- A hosted solution – no hardware/software to install
- Your candidate's a positive candidate experience
- Integration with Profiles assessments
- Auto upload to job boards
- Automated recruiting
- Offer Management and On Boarding features which are included in the base price of the system
- Government compliance
